Dec. 2. 1852

My dear Mr Tyndall

When I saw the interest
you took in the papers of in-
structions we have just issued
for the Education Department,
and when I remembered how
much I have owed to you
& your writings for a long
time past, I felt a wish

Professor Tyndall

DSI

that you should possess the little volume containing my Cambridge lectures, as a slight memorial of my obligations to you. So I send with this a copy of the new (fourth) edition of my book, and shall be very glad if you will accept it.

My wife & niece, who have lately returned with me, much refreshed & strengthened by their Alpine & Italian adventures, return the pleasantest recollections of your and Mrs Tyndall's hospitality, and desire to unite with me in kindest regards to you both.

Yours very truly

J. G. Fitch
